

USER GUIDE

Thank You for Choosing Our Product!

Please follow these guidelines to maximize performance and longevity of our insulated bottles and tumblers.

FIRST USE

- Wash the bottle and lid thoroughly with warm, soapy water before first use.
- Rinse well and allow all components to dry completely.

HOW TO USE

- Pour your preferred beverage into the bottle, leaving a little space at the top to prevent spills.
- Avoid hot beverages when drinking with the straw. It may cause burns.
- Avoid filling it with carbonated drinks, as pressure buildup may cause leaks.
- Ensure the lid is securely closed before carrying to avoid leaks.
- Store it with the lid off when not in use to prevent moisture buildup

CLEANING & MAINTENANCE

- Wash with warm, soapy water after each use.
- Use a bottle brush to clean hard-to-reach areas.
- Rinse thoroughly and air-dry with the lid removed.
- Avoid using bleach or harsh chemicals, as they can damage the materials.
- The stainless-steel bottles and tumblers should be hand-washed to preserve the exterior finish.
- The lid and straw are dishwasher safe.

WARNINGS

- Do not place it in the freezer, oven or microwave.
- For the FlexiVibe tumbler do not close the lid by holding the handle
- Keep out of reach of young children if the beverage is hot
